REGISTRATION PROCEDURES

NEW STUDENTS

New students, both graduate and undergraduate, cannot register for classes until all requirements for admission to the University are met.

After admission requirements are met, new graduate students will register in accordance with the procedure set out below for former students.

After admission requirements are met, new undergraduate students will receive their registration materials in connection with the orientation program provided for such students. Further instructions for completing registration will be given during the orientation program.

FORMER STUDENTS

Students enrolled for the Fall, 1969, semester do not need to file a notice of intent to register for Spring, 1970. Registration materials are prepared for all students currently enrolled for the Fall semester.

Students enrolled for the Fall, 1969, semester who plan to graduate in January, 1970, and intend to continue as graduate students must file an application for graduate study.

Former students who are not enrolled for the Fall, 1969, semester must file a notice of intent to register with the Registrar's Office at least two weeks prior to registration. Failure to file this notice of intent to register will delay the registration process.

Students who have unpaid accounts or other irregularities will be delayed until these matters are cleared.

Housing arrangements should be made as soon as possible.

At the time of registration, the procedure set out below should be followed:

1. Former students pay the Registration Deposit of \$25.00 at the Business Office. This Deposit is refundable if registration is cancelled in writing before January 1, 1970. Advance Registration Deposits paid after the refund date are not refundable. The Deposit is not refundable if the student fails to pay the balance of his fees by the time specified on the bill from the Business Office, or fails to begin the Spring semester, or withdraws from school except for reasons beyond his control (e.g., suspension from the University, draft by Selective Service).
2. Present receipt for Registration Deposit at the Registrar's Office and pick up registration materials. Except for new students, these will be filed in student number order.
3. Fill out the registration form, answering all the questions. This is a carbon form and must be filled out with care to insure a good carbon copy.
4. See adviser and have the schedule approved. Advisers will be in their offices.
5. Secure course cards in the Scheduling Office, Administration Building, Room 244. This is to be done on or after the date specified on the Permit-to-Register card attached to the registration form. See that the course cards pulled are correct as to course and section numbers and hours of credit. Turn in all materials before leaving.
6. January 26, 1970, is the final registration day. On that day course cards will be in University Hall of the Union.

EVENING AND SATURDAY CLASSES

REGISTRATION PROCEDURES

STUDENTS ARE NOT TO ATTEND EVENING OR SATURDAY CLASSES UNLESS THEY ARE PROPERLY REGISTERED.

Admission to the University

Students who desire to attend the University of Northern Iowa for the first time, either as graduate or undergraduate students, must be admitted to the University. New graduate students must file an application for graduate study, and undergraduate students must apply for admission and meet all necessary requirements.

Registration by mail

Former students and new students who have been admitted to the University who plan to enroll for evening and/or Saturday classes **ONLY** are encouraged to register by mail. Mail registrations will be accepted through January 16, 1970. Mail-in registration forms should be available in the schools in the area, and they may be obtained from the Registrar's Office at the University of Northern Iowa upon request.

Mail-in registrations must be accompanied by a check for the exact amount of the fees.

Mail-in registrations also should indicate a first, second, and third choice of classes so an alternative is provided in the event the first or second choice is closed. Students must be careful to write the correct course and section numbers on the mail-in registration form.

Registration in person

Students who are currently enrolled for the 1969 Fall semester may register in accordance with the advance registration schedule printed in this Schedule of Classes. It is not necessary for students currently enrolled to file a notice of intent to register.

Students who are not enrolled for the 1969 Fall semester who are planning to register for evening and/or Saturday classes in person must fill out and send in a notice of intent to register to the Registrar's Office at least two weeks in advance of the time the student plans to come to register. This notice of intent to register makes it possible for registration materials to be prepared so they will be ready when the student comes to register. The coupon on the back cover of the Spring Schedule of Evening and Saturday Classes may be used as a notice of intent to register; also, the regular notice of intent to register form is available upon request of the Registrar's Office.

Students who are not currently enrolled and who have filed the notice of intent to register two weeks in advance may register in person in advance up through January 26, 1970. The Registrar's Office is open Monday through Friday from 7:50 to 11:50 a.m. and from 12:50 to 4:50 p.m.

Students who cannot complete their registration by mail and who cannot conveniently register in person during the advance registration period may enroll at the Registrar's Office during the one hour before the first meeting of the class; i.e., 6:00 to 7:00 p.m. on January 27, 28, 29, and February 2, 1970; or Saturday morning, January 31, 1970, from 8:00 to 11:00 a.m. The Registrar's Office will not be open in the evening or on Saturday after the first meeting of classes. It is still necessary for students not currently enrolled for the Fall semester to file a notice of intent to register at least two weeks in advance even though the student intends to enroll during this one-hour period before the first meeting of the class.

STUDENTS WHO REGISTER FOR EVENING AND/OR SATURDAY CLASSES IN ADDITION TO OTHER CLASSES WILL REGISTER FOR THEM AT THE SAME TIME OF THE OTHER REGISTRATION AND WILL LIST ALL CLASSES ON THE SAME REGISTRATION FORM.

Beginning dates for Evening and Saturday classes

Evening classes are scheduled to begin Tuesday, January 27; Wednesday, January 28; Thursday, January 29; and Monday, February 2, 1970.

Saturday classes are scheduled to begin Saturday, January 31, 1970.
